CSPO[®] HOME-STUDY COURSE

INTRODUCTION

Due to the many new projects and some of the existing ones that have pools, spas, hot tubs & jacuzzis, this course has been developed to assist you when applying for a position in a project that contains this equipment. It will also assist current managers who wish to update their skills and knowledge. Your certificate of achievement shows present and potential employers that you are qualified in the day to day operations of this equipment. This knowledge will give you a clear advantage over others that are not trained in this field. CRM & CBS graduates have found the CSPO designation to be a major benefit to their career!

INCREASE YOUR JOB PROSPECTS

Many of our graduates have secured new positions in projects containing swimming pools. These jobs were not previously available to them as they did not have the skills required by the employer. By being able to save your employer or potential employer the cost of expensive service calls and the costs for ongoing day to day maintenance, you will open up many new opportunities for yourself.

COURSE OUTLINE

- ⇒ Swimming Pool Care & Operations
- ⇒ Swimming Pool Care & Safety
- ⇒ Safe Handling of Chemicals
- ⇒ Chlorine
- ⇒ Winter Shutdown/Spring Opening
- ⇒ Troubleshooting
- ⇒ Vocabulary

For further details, please refer to the detailed course outline included in this brochure.

DURATION

The **CSPO** course is 80 hours and you will be able to complete it within 4 weeks with 4 hours of study a day, 5 days a week. With Full time study, 8 hours a day, 5 days a week you will finish in 2 weeks. You do have 12 months to complete the entire course to become a “qualified swimming pool operator”.

COURSE FORMAT

The program is offered exclusively online. The CSPO course consists of 5 modules of which each has an assignment and exam that must be completed online. A final exam is required to be completed once all chapter assignments and exams are submitted.

COURSE FEES

Single Course Fee: \$750.00 (Textbook included)

Course fees are tax deductible and you receive a T2202A Canada Revenue Agency form upon registration.

Textbooks: Free shipping within Canada only

Start today, online registration is very easy and we accept Credit Card (Visa/MasterCard) & Interac debit card.

SUPPLIED BY RMTI
